

Name - _____

Per - _____ Table - _____

Gases in the Atmosphere

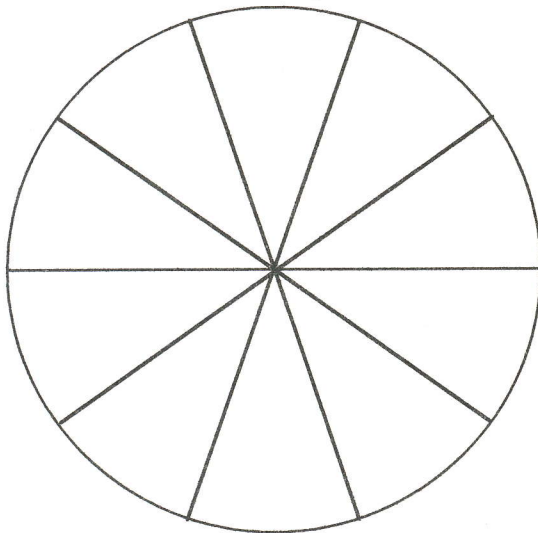

Part I - Complete the chart below.

Gas	Percent	Use(s) of this gas
	78%	
Oxygen		
	1%	Used in light bulbs
Water Vapor		
		Used in photosynthesis by plants

Part II

Fill in the two graphs below. On both, graph the percentage of gases in the earth's atmosphere. Label the pie chart to show the names of the gases. On both, color nitrogen **green**, oxygen **red**, and the other gases **blue**.
